DOOMED MEGALOPOLIS

The Gods of Tokyo

Part 3 of the 4 part serial!

A Supernatural Dragon Beneath The Streets Of Tokyo Awakens From Its Slumber...To Terrorize The City!

After the earthquake of 1923, plans are made to rebuild Tokyo into a modern metropolis, including a new subway system. But the evil sorcerer, Kato, awakens the dragon to foil the project... and help him gain control of Tokyo's guardian spirit—the ancient warrior, Masakado. When a series of hideous murders plague the city, Professor Terada calls the gifted psychic, Kuroda, for help. Together they battle Kato's sinister forces in an effort to save their imperiled city. Supercharged with nonstop action, awesome animation, and riveting suspense, this intense thriller is ultimate video comic adventure!

DOOMED MEGALOPOLIS

The Battle for Tokyo

Part 4 of the 4 part serial!

A Diabolical Sorcerer Sets The Moon On A One-Way Collision Course...With Earth!

Repeatedly foiled in his attempts to gain supernatural control over Tokyo, the evil Kato is hellbent upon revenge. He sets in motion a sequence of events which, if unchecked, will leave the entire planet in ruins! Astronomers are baffled when the Moon starts moving on a one-way collision course with Earth! But Keiko — the priestess of the Masakado, the city's guardian spirit — knows only the diabolical sorcerer, Kato, could be responsible for such a disastrous cataclysm. What follows is a grisly battle of cosmic proportions that builds to a chilling climax in this spellbinding conclusion to the critically-acclaimed series!

**Crying
FREEMAN**

"Abduction In Chinatown"

A Deadly Game Of Cat And Mouse Finds The Reluctant Hero Caught In The Web Of An Evil Seductress!

When the daughter and grandchild of an aging Chinatown crime lord are kidnapped, it's up to Crying Freeman to find them. With the help of the crime lord's other daughter, he constructs an elaborate sting operation. But the plan backfires and Freeman is captured by the enemy—a notorious crime cartel! Its voluptuous leader, Nina Heaven, is fascinated by Freeman's legendary skill as both lover and killer. Instead of executing him, the love-starved sadist lets him choose between life as her sex slave or a thousand horrible deaths at the hands of her masochistic killers! Awesome action and edge-of-your-seat suspense build to a mind-blowing conclusion in this intensely erotic thriller!

Wicked City

Diabolical Shape-Changers From
A Parallel World Descend On
Earth...To Enslave All Of Humanity!

When an unsuspecting special agent picks up a beautiful woman, he takes her back to his place for an evening of steamy passion. But the deadly seductress is really an alien from the Black World — a parallel dimension populated by supernatural shape-changers—and after their lovemaking, she turns into a horrifying spider-woman! She and other mutating rebels from the mysterious Black World have come to invade and conquer Earth. And they will succeed...unless somebody can stop them! Spy thriller meets horror flick in this erotic, wickedly animated tale of terror!
